

CORE Xa

Deliver your message
in a whole new way.

CPG's **CORE Xa** delivers a comprehensive evaluation of your communications touchpoints and experiences; what worked, what didn't and - most importantly - what needs to be accomplished moving forward, for immediate, near- and long-term results. Nothing is sacred and nothing is out of the question as we deliver a strategic outline for moving forward.

Deconstruct

Breaking down every aspect of your employee experience program

Discover

Uncovering what is important to your organization and its stakeholders, franchisees, management, employees, etc.

Design

Building from your base, we design a robust experience framework that delivers impact
