# VIRTUAL EXPERIENCE SOLUTIONS

When your brand needs to pivot your meeting or event due to growing health concerns, we are your full-service meeting and event partner who can step in immediately to design the **right virtual experience** with the dedicated project management and production services that will make it successful.

## Turnkey Virtual Solutions

- We transform your live meeting or event into a **virtual branded experience** in a matter of days

## Technology Agnostic

- We can work with your current technology platform or design the best technology solution

## SECURE Remote Access

- We protect your content and IP with state-of-the-art security permissions

## Custom Two-Way Virtual Branded Experiences

- National and Global Sales Meetings
- Regional Meetings
- High-touch Meetings
- Advisory and Board Meetings

## Full Project Management and Producer Services

- We do the heavy lifting for you with end-to-end services that exceed your goals on time, message and budget
- We provide onsite production services to ensure all content is delivered effectively (including presentation management, presenter coaching, lights/sound and AV management)
- We work with your team as needed for venue and studio sourcing

## Content Development

- Video and Episodic Content
- Presentation and Speech Writing
- Graphics and Scenic (for a **full branded experience**)
- Branded Portals
- Pre and Post Communication Packages
- Keynote Speaker Sourcing and Management
